Top Tips/Activity ideas

Little and **often** is the best way for children to retain these key facts. Practice them whilst on the way to school, during a car journey or at the kitchen table.

Give children multiple of 50, e.g. 150, to count on from instead of 0. Do the same with 100s.

Take it in turns to count in 50s or 100s, how high can you get?
