

Raughton Head C of E School Uniform Policy

Statement of Intent

Our policy on school uniform is based on the belief that school uniform:

- Promotes the ethos of our school and a sense of pride
- Provides a sense of belonging and school community
- Creates a shared identity and common sense of purpose
- Supports our commitment to inclusion

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for Parents and Carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

LEGISLATION AND GUIDANCE

Our school's legal duties under the Equalities Act 2010: The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex.
- Make sure that our uniform costs the same for all children
- Allow for adaptations to our policy on the grounds of equality by asking children or their parents to get in touch with the Headteacher who can answer questions about the policy and respond to any requests

LIMITING THE COST OF SCHOOL UNIFORM

Our school does have a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as items that require a school logo) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for Parents and Carers

We will do this by:

- Limiting any items with the school logo so parents can find cheaper alternatives if required
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on Parents and Carers of any changes

EXPECTATIONS FOR SCHOOL UNIFORM

It is our school policy that all children wear school uniform when attending school, or on occasions when children are representing the school, including school visits. We endeavour to achieve a high standard in all aspects of school and expect this to be reflected in both the appearance and behaviour of our children. Uniform plays an important part in establishing the ethos of the school in several ways. We believe that school uniforms provide children with a sense of community and identity with their school. We want our children to be smart in their uniform and wear it with pride.

Parents and Carers are asked to co-operate fully by providing the uniform and ensuring children wear it correctly to and from school, and at other times as required.

Please ensure that all articles of clothing and other items brought into school are clearly marked with your child's name.
